Volunteer Minibus Driver

About Us

Wirral Evolutions (WE) is a council-owned company providing innovative day opportunities, enabled by high quality care that enhance and enrich the life skill experiences of people we support with learning and physical disabilities, maximising their personal potential.

Our work ensures that:

- ✓ There is a focus on Physical and Mental Health, to enrich the lives of the people we support
- ✓ Wellbeing is improved, increasing the levels of enjoyment, self-esteem and happiness whilst promoting friendship
- ✓ Life skills are developed, encouraging confidence, choice, exercising control, communications, and self-awareness
- ✓ Community integration as a way of life through volunteering, employment, education, training, and social connectivity

Role Description

This is a flexible volunteer role that will be performed alongside a member of staff to help transport people we support to their venues and back to the centre. This includes helping people we support board and disembark from the minibus with the aid of a tail-lift, adding and removing seats to accommodate wheelchair users, ensuring the minibus is kept clean and fuelled, staying conscious of the needs and behaviours of the people we support, and making sure they are escorted safely and promptly to the venue of the day, sometimes needing to return people to the centre quickly.

If you can spare a day or two a week and would like to be part of a friendly team helping the people we support to access opportunities for leisure and education in Wirral, then we would love to hear from you.

Wirral Evolutions are looking for a person to join us who:

- ✓ Has a clean, enhanced DBS
- ✓ Has passed their driving test and been driving for at least two years
- ✓ Can drive a 4x4
- ✓ Has a clean license, preferably with category D-1
- ✓ Enjoys driving, with a good knowledge of local routes
