P	Heswall		
L	Heswall		
J2	Cambridge Road		
M1	Cambridge Road		
M2	Cambridge Road		
Lorraine Moran	Wirral Evolutions		
S	Wirral Evolutions		
Guest:			

1) Introductions and Apologies

J1 welcomed everyone and apologies were noted.

T and K discussed the bus strike that meant the meeting was having to be held on Zoom.

2) Minutes from the last meeting and matters arising

D read the minutes out on screenshare, and all agreed they were correct.

L mentioned that she'd had difficulty understanding what people were talking about in the last meeting. K remarked that they would need to modify their language in future to be more easily understood.

He also suggested that in future L sit with one of the TAAA people, so if she was confused, she could ask them for help. L said she would like to give it a try.

Lorraine made a note of this for the next meeting, as she wouldn't be present (instead J from Wirral Evolutions would be running it), asking that people remember to use simple language and if any more complicated words were required, to explain them afterwards.

C1 requested that in future meetings she be recorded as being at Bluebellies/Best Bites now, as she'd moved there from Cambridge Road.

3) Activities we can get involved in

J1 said that some of the activities people could do going forward would be helping support others during meetings, on walking trips and so on, like K had said to L earlier.

C1 suggested that people could do a sponsored walk.

C2 suggested that a quiz could be held at the Christmas meeting/party. J1 said they could discuss it in more detail at September's meeting.

J1 talked about a possible Development Day, where people would be taught about how to better feed back about things.

The group seemed curious, so she and K explained that it would be like a regular meeting, but would take literally all day, and involve things like going through the terms of reference and talking about how future meetings should go.

L suggested that the Development Day could be held at the Grange, separate from the SUBH meeting or the Christmas Party.

K then said that a buffet should be arranged for it, so people had something to eat through the day.

J1 and Lorraine said that because of everything that needed to be arranged, the Development Day probably wouldn't happen until Summer or Autumn of next year.

J1 said that the best month for it would probably be September.

Lorraine said that people could come to the next meeting with ideas about what could be done on the Development Day.

People said they could discuss what J from Wirral Evolutions wanted to do for it, and K suggested she could be invited to it herself.

People talked about Jason Oxley (the assistant director) maybe wanting to come back to SUBH, and generally were keen on the idea.

Lorraine talked about how there were going to be focus groups run by the council soon, and people needed to practice speaking out so everyone could hear them & they'd get feel more comfortable speaking in public.

As such, she suggested that as part of the SUBH agendas going forward, one person from each of the locations could provide an update about what's going on to everyone.

With that in mind, T said that Royden Park had been working in partnership with Ness Gardens and Dale Farm lately.

4) Wirral Evolutions update; venues and minibuses for future meetings

K mentioned that he'd brought up with Jason that the hydrotherapy pool at Pensby isn't working, and had got an email afterwards saying they intend to start work on it on the 15th August.

Lorraine said that Best Bites have opened a new service at Royden Park's café.

People agreed that they wanted to meet at Oakenholt in September, October Eastham, and Heswall in November.

The December meeting was suggested to be held at the Grange on the 7th, so it could be a Christmas party.

Cambridge could be used in January 2023, and Royden Park could be used again in March.

Lorraine said we're waiting for quotes from companies about minibuses.

5) Date of next meeting

Wednesday 7th September 2022, 10.30-12pm at Oakenholt

Lorraine thanked everyone for showing that they did want to have their voices heard, and talked about what they'd achieved by doing that, like K getting things moving on the Pensby pool and the SUBH meetings continuing.

D closed the meeting at 12pm so everyone could go and have lunch.
